REFORMUK

NEWS

- Not voting? Think again
- LibDems = Labour = Greens
- Reform UK Deliver Lower Tax Rises
- East Surrey Elections are NOT cancelled!

Vote Michael Carter

I have lived in Mole Valley for over 20 years and I have been resident in South Holmwood for the past five years. I have two wonderful daughters who have grown up in the area. My goal is to create a better, safer community in which we can all flourish. For the past 30 years I've successfully expanded my specialist painting company employing people from the local area.

If elected I would be delighted to be your council representative and I would perform the role with common sense responsibility and enthusiasm.

My goals are to reduce the rate at which the Council Tax increases; stop the LibDem's wastefulness; improve public transport in our rural area; provide better community care for the elderly; find a permanent solution to the pothole problem and campaign to make the police investigate all crime.

Vote Leigh Jones

I live locally in the Dorking Hills with my family and have been part of the community for over 30 years. With many years of business experience, I believe councils should be run with the same focus on efficiency, accountability and value for money that any successful organisation requires.

I am standing for Reform UK because residents deserve a council that listens and delivers. Council tax continues to rise while services decline, and I am committed to driving better performance and reducing unnecessary costs so local people get real value for the money they pay.

With major local government reorganisation planned, I will work to ensure the proposed East Surrey authority does not repeat the broken culture seen at Mole Valley and Surrey County Council, but instead puts residents first.

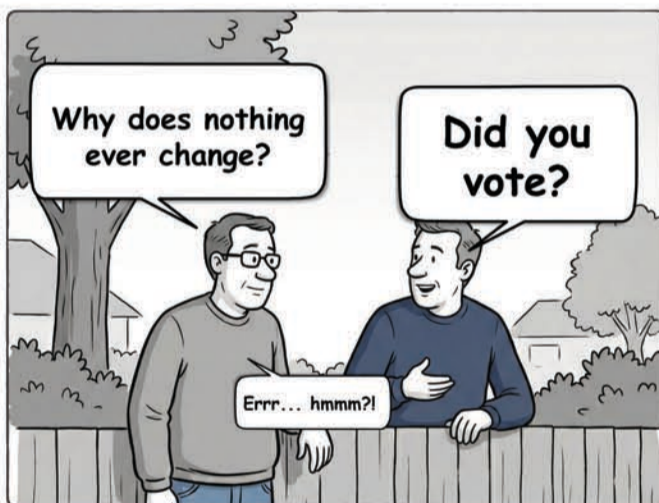

Sitting out the next election? No point in voting? Think the main parties are the same?

That's what they want you to believe. Voter apathy is engineered. Low turnout means that the big parties ignore you, push through what they want and keep control. Those in power will coast, knowing that people won't fight them if they don't even vote.

Here's the truth:

- Your vote is real leverage. Politicians must listen or lose power.
- Voting moderates extremes, slows down overreach, and allows time for opposition to build.
- High turnout makes politicians respect voters.

The system is cracking. Labour's in free-fall. The Conservatives are over. Reform UK is leading the polls nationally and is poised to reshape British politics. Vote Reform UK to regain control of our borders, our money, NHS and red tape that stifles aspiration. Choose change over the same old, same old.

Vote Reform UK, Turn up, Make them listen, Stick it to them!

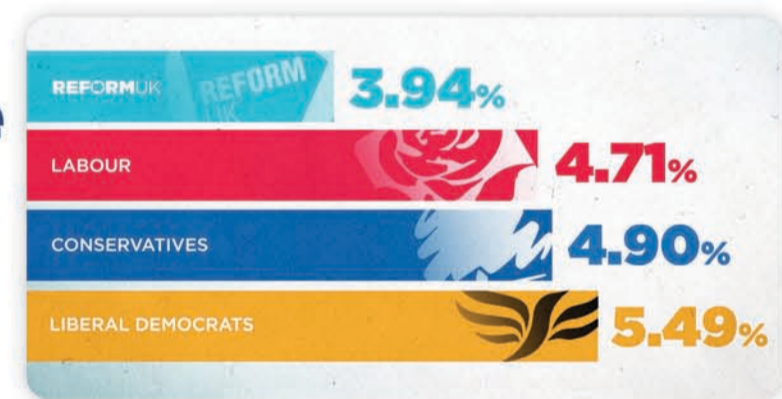

LibDems = Labour = Greens

If you would never consider voting Labour, why would you vote LibDem or Greens? On all major policies the Parties are identical.

	LIB DEMS	LABOUR	GREENS
Sensibly sized government	No	No	No
Preservation of our culture	No	No	No
Protection of our countryside	No	No	No
Strong borders	No	No	No
Balanced budget	No	No	No
Acting in the national interest	No	No	No
Individual choice	No	No	No
Stopping mass surveillance	No	No	No
Freedom of speech	No	No	No
Gender neutral toilets	Yes	Yes	Yes

Reform UK councils deliver lowest average tax rises

9 Reform-controlled councils save taxpayers £45m a year off their bills.

East Surrey elections are NOT cancelled!

The East Surrey Unitary Authority election in May is an opportunity for you to have your say on local issues. Reform UK are standing for the first time and have the advantage of bringing new thinking and a fresh approach. It won't be easy but we will apply one simple guiding principle to every decision: "Will this benefit most council tax payers?"

It's already clear that we are paying for:

- People in jobs that do not need doing
- Unnecessary projects that have not had a proper cost benefit analysis
- Wokeness that takes up far too much time and money
- Overall poor value for money

Reform UK is committed to more effective and accountable local government that puts residents before the system, fighting waste, defending freedoms and prioritizing your interests in the New East Surrey Council.
